

*In the Steps of the Apostles* contains 263 devotional messages that walk the reader through the entire book of Acts of the Apostles, a literary journey in the first century steps of the apostles of Jesus Christ. *In the Steps of the Apostles* was written –

1. To lead non-Christians to consider the testimony of early Christians – that Jesus Christ is the Savior of all mankind and, though dead, He lives,
2. To help all, believer and unbeliever alike, appreciate the true nature of the New Testament church, who established and owned her, how she was organized, and what her members did in both worship and everyday life,
3. To set forth conversions of first century Christians as the Divine examples we are to follow today, and
4. To present Bible truth as interesting and practical, easy for all to understand.

To these ends, an effort has been made to emphasize the inherent simplicity of the Bible story, and to present thoughts in a conversational, easy-to-read style.

The author, Charlie Brackett, is a Christian. A businessman turned preacher of the gospel, Brackett has served the Lord's church as an elder and missionary. He has taught the Bible for decades, lecturing in the United States and Europe.
